<b>Alterations:</b>	rear additions; replacement windows; enclosed porch

## Staff Opinion

This home is a contributing structure in the Maple Avenue/Maple Lane National Register Historic District. It was designed by George Maher, a nationally significant architect and an important member of the Prairie School. The Bingham house was published in *Western Architect*, Vol 20, March, 1914. Illustration and plans Plate XIX. Mr. Samuel Bingham was the president of Barrett Manufacturing Company, which produced building supplies nationwide. This home may fulfill landmark criteria #4, #5, and #6:

- (4) It embodies distinguishing characteristics of an architectural and/or landscape style valuable for the study of a specific time period, type, method of construction or use or indigenous materials;
- (5) It is identifiable as the work of a notable builder, designer, architect, artist, or landscape architect whose individual work has influenced the development of the City, county, state, or country;
- (6) It embodies, overall, elements of design, detailing, materials, and/or craftsmanship that renders it architecturally, visually, aesthetically, and/or culturally significant and/or innovative;
