Mail: Management Plan  
Canal Corridor Association  
754 First Street  
LaSalle, IL 61301

---

**Q:** What are the two necessary ingredients for a national heritage corridor?

**A:** A nationally significant place and people who care!

The Canal Corridor Association is developing a management plan for the I&M Canal National Heritage Corridor and we need your help.

---

The I&M Canal started in 1836 and continues today—many communities working together, towards one common goal.
