

LANDMARKS ILLINOIS

2012 Legendary Landmark Grace Barry

Grace Barry's distinguished career of service uniquely combines senior management experience in business, civic, government and cultural organizations. For over 26 years, Ms. Barry served as Executive Director and later as President of The Economic Club of Chicago, one of the nation's most prestigious organizations of business and civic leaders. Ms. Barry welcomed prominent guest speakers, which included presidents, prime ministers, heads of state, CEOs of Fortune 500 companies, Cabinet members, Congressional members and other world leaders to the Club's platform. Ms. Barry is also an accomplished entrepreneur and business owner. She has served as a consultant and advisor on economic development, public affairs, housing, human resources and education to: the U.S. Departments of Labor, Housing & Urban Development; the cities of New York, Buffalo and Chicago; The Carnegie Foundation; Fordham University and The Chicago Project.
