

2018 Legendary Landmark

Berglund Construction

(Corporate Landmark)

Fred Berglund is a third-generation owner of **Berglund Construction**, the 2018 Corporate Landmark, and has served as president of the now 107-year-old company since 1995. During his executive tenure, Berglund

Construction has expanded its new building and restoration services. Berglund provides general contracting, restoration, construction management and design build services. Although growth has been an important force in the company, Fred's leadership ensures that Berglund Construction won't move beyond the firm's core values of client satisfaction, innovation and operational excellence.

Fred serves as Chairman of the Board for La Rabida Children's Hospital and is engaged in a multitude of community and civic services. He has previously served in the following roles; Past President Chicago Building Congress, Past Chairman Epilepsy Foundation Golf Around Chicago, Past Board Member Porter County Community Foundation.
