MURPHY DEVELOPMENT GROUP

John T. Murphy, Chairman & CEO

Corporate Legendary Landmark

Murphy Development Group (MDG) is undertaking the visionary mixed-use redevelopment of Chicago's iconic Old Cook County Hospital, a historic site Landmarks Illinois advocated to save for nearly 20 years. This five-phase, \$1 billion project will transform the world-renowned Illinois Medical District on Chicago's Near West Side and provide needed amenities for thousands of area workers and visitors. John T. Murphy, Chairman & CEO of MDG and Vice Chairman of MB Real Estate, will accept the 2019 Corporate Landmark honor on behalf of his company.

MDG is also known for the successful transformation of the formerly vacant, historic Chicago Motor Club into a 143-room Hampton Inn and for redevelopment of the Oriental Theater Building at 32 W. Randolph St. into the Cambria Hotel Chicago Loop.

Mr. Murphy is recognized as a leading, Chicago-based real estate expert. He provides leasing and development services and acts as a principal and advisor to institutional clients. He leads a range of real estate initiatives and has been involved in equity syndications for assets across the United States. He has also brokered and leased several high-profile properties in Chicago. Mr. Murphy is actively involved in the Building Owners & Managers Association (BOMA), the Executives' Club of Chicago and Urban Land Institute Chicago. He also co-chairs buildOn, a nonprofit organization that helps empower young people to address challenges in their communities through service.
