LEGGENDARY LANDMARKS CELEBRATION

The Legendary Landmarks Celebration, now in its fifteenth season, honors civic and business leaders who have positively impacted our state’s social and physical landscape. More than 750 guests gather in the elegant Grand Ballroom at the Hilton Chicago each year to pay tribute to these honorees, spend time with friends and business associates and support Landmarks Illinois’ mission-driven advocacy and grant programs. We are pleased to present the 2020 honorees!

2020 LEGENDARY LANDMARKS

Timuel D. Black Jr. is a noted civil rights leader, educator, historian, author and WWII veteran who has devoted his life to promoting Black history. At age 100, Mr. Black continues to give tours to young people in Bronzeville and share the stories of historic and culturally significant places on Chicago’s South Side, where he has spent most of his life.

Joseph P. Gromacki, a senior partner at the law firm of Jenner & Block LLP, is a civic leader and an active patron of the arts, serving on the boards of the Art Institute of Chicago, the Terra Foundation for American Art, the Richard H. Driehaus Museum, the Illinois Governor’s Mansion Association, and several other organizations. A member of the National Trust Council and Landmarks Illinois Emeritus Board, he has championed many historic preservation efforts.

The Walsh Group, founded in 1898, is a fourth-generation family-owned, Chicago-based business providing services and finance for a wide variety of construction projects nationwide. They are the lead contractor on Chicago’s iconic Old Cook County Hospital project, a historic asset Landmarks Illinois advocated to save for 19 years. Co-Chairmen, Matthew Walsh and Daniel J. Walsh will accept the honor.
